

The Park
Academies Trust

Local Advisory Board Community Members

Could you volunteer your time to make a difference?

The Park Academies Trust welcomes applications for Local Advisory Board Community Members across the Trust.

Working at the school level, you will engage with parents and carers, staff, pupils, and others in the community.

You will be a valuable source of information and challenge to the Trust Board and will ensure that it is accountable to its stakeholders.

To submit an interest, please contact ConnollyS@theparkacademiestrust.com.

If you would like to apply to a particular school in the Trust, please visit the school website for more information.

Thank you for your interest in The Park Academies Trust.
