

Pre-LPA Journey Tasks

Over the summer please complete the 3 tasks and discuss how you will meet the Year 7 Pledges written on the back. Please bring everything with you on your first day at Lydiard Park Academy in September.

Task 1

Read and prepare a review of a book you have not read before. This can be borrowed from a library, a friend or even bought from a local shop. You can present your work in written format or you can use technology. Maybe you could prepare a radio style report, create a movie, construct a PowerPoint or perhaps you could do something different?

Task 2

Write a letter to your future self as a 16 year old. In the letter, please comment on the following things...

- ◆ What excites you about joining LPA?
- ◆ What worries you about joining LPA?
- ◆ What do you want to achieve by the time you leave LPA?
- ◆ What job would you like to do when you have your qualifications?
- ◆ Who is going to help you on your journey to success?
- ◆ Tell your future self something that will make them laugh about you

Task 3

Create a 'Me Capsule'. Using a shoe box or similar, include anything that tells your tutor and classmates interesting things about you. It can contain items such as a photo, music concert ticket, a lucky coin or even random items like a snake skin. It can be anything that has some kind of meaning to you. You will discuss the contents of your capsule with your tutor and/or classmates.

Year 7 Pledges - 2022

Can you meet the challenge by completing the Year 7 pledges below?

Pledges

I will...

1. Attend school to achieve a minimum of 95% overall attendance.
2. Work hard to receive at least three reward points a week
3. Represent the school in at least one activity, sport, music, drama etc.
4. Attend at least one session six activity a week.
5. Find out something interesting about everyone in my tutor group.
6. Have a conversation with a teacher in a different language.
7. Achieve at least a Bronze certificate for the KS3 Diploma.
8. Take on and conquer something that made you scared/worried
9. Play an active part in house activities
10. Present something in front of your whole class

These pledges will be discussed in PDP sessions with your tutor. Make a list of these and record any progress you are making towards them. Remember, this is your LPA journey, turn your potential into a good performance both in and outside of the classroom.

Learning Potential Achieved
