New Function in SchoolCloud

Dear Parent,

I am pleased to report that SchoolCloud have released an additional function that should enable you to add someone else into the subject consultation call. If both parents live apart, you should be able to request for both parents to attend the meeting.

To enable this to happen, please email WilliamsT@lydiardparkacademy.org.uk with the following information.

Pupil name

Your name

Additional parent name and email address (must be different to the one already in use)

Once ALL appointments have been booked, we should be able to add both parents into the virtual meeting.

Please note that this is a new feature only recently added for our school. We are hopeful that it will be integrated successfully and enable two different households to join a virtual call.

Kind regards,

Christian Dobbs
