## 1. Introduction

The Scheme of Delegation:

- sets out the Trust's approach to delegations between the different layers of governance within the Trust and is a delegation by the Trustees under the Articles of Association of certain powers and / or functions as detailed below
- confirms which powers and functions are reserved to the Trust Board
- should be read in conjunction with the terms of reference for the committees, including the Local Governing Committee (LGC) and the Trust Interim Board (TIB) terms of reference
- may only be altered or revoked by the Trust Board.

The Trust's written scheme of financial delegation is set out in the Finance Manual and supplements this Scheme in respect of the delegation of financial powers and the operation of robust internal controls.

## 2. Our Purpose, Vision, and Values

### Purpose

The Park Academies Trust (TPAT) exists to empower all our people to thrive through opportunity. We aim to benefit our communities by nurturing well-educated, aspirational and creative young people. We achieve this by enriching and fulfilling our employees with the investment to become masters of their craft, all working together to realise exceptional outcomes for young people.

**Vision** Inspiring Futures, Empowering People

Our schools are known for exceptional pupil outcomes and achievements, creating an inspiring and empowering environment where every pupil thrives. Our commitment to excellence and a culture of improvement for all makes TPAT a highly sought-after place to work, recognised for excellent career development for our staff and the positive impact we deliver across our communities.

Values

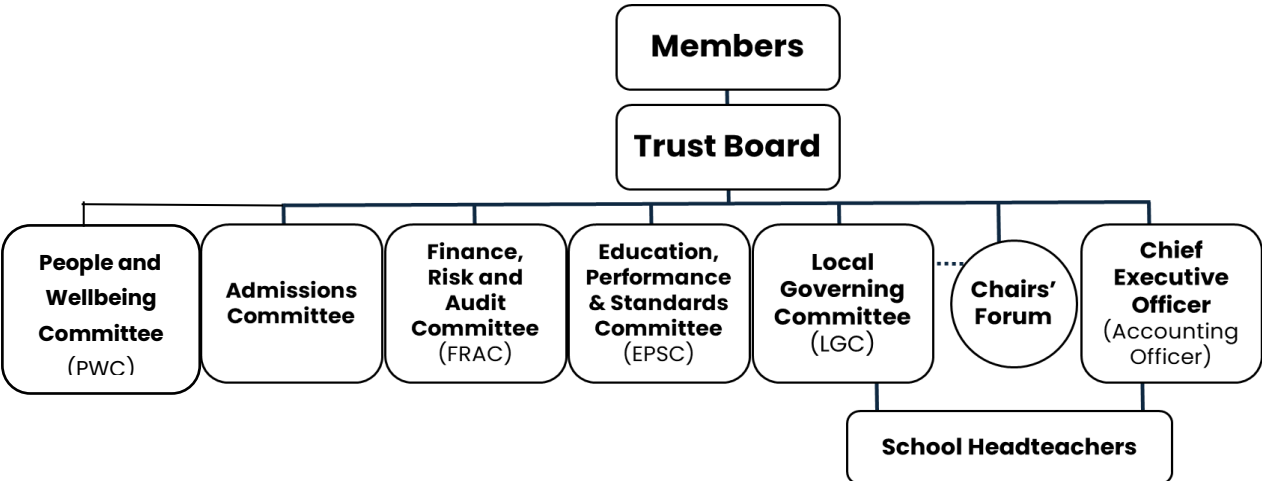

Our approach balances alignment and autonomy: we bring schools together where it adds value, while empowering leaders to make the best decisions for their individual communities. We foster a culture of continuous improvement, where staff feel supported, valued, and encouraged to grow through feedback and collaboration.

Our five-year strategy focuses on sustainable development and strong support for school leaders, enabling them to focus on delivering exceptional education every day. Through rich curricula and strong links to industry, our schools prepare pupils for successful futures – locally and beyond.

This strategy is built around three core pledges: Ambition, Behaviours, and Cohesion. These guide every decision we make and ensure we stay true to our values and purpose.

3. Governance Structure

## 4. Roles and Responsibilities

### 4.1 Members

The Members are the guardians of the Trust. They ensure the Trust meets its charitable objective, agree the Articles of Association, appoint Trustees, external auditors, and receive the annual report and accounts. There is a clear separation between the layers of governance, as no Members are Trustees.

### 4.2 Trust Board

The Trustees are legally accountable for all statutory functions and the performance of all the academies in the Trust, and appoint the CEO.

The Academy Trust Handbook 2025 defines the Trust Board purpose as providing:

**‘strategic leadership of the academy trust:** the board defines the trust vision for high quality and inclusive education in line with its charitable objects – it establishes and fosters the trust’s culture and sets and champions the trust strategy including determining what, if any, governance functions are delegated to the local tier

**accountability and assurance:** the board has robust effective oversight of the operations and performance of the academy trust, including the provision of education, pupil welfare, overseeing and ensuring appropriate use of funding and effective financial performance and keeping their estate safe and well-maintained

**engagement:** the board has strategic oversight of relationships with stakeholders – the board involves parents, schools and communities so that decision-making is supported by meaningful engagement’.

The Handbook states that ‘The trustees **must** apply the highest standards of conduct and ensure robust governance, as these are critical for effective financial management. Trusts should consider the features of high quality governance as described in the trust quality descriptions’.

The Trust Board approves the written scheme of financial delegation. Trustees delegate some governance functions to Trust Board committees, one of which includes audit and risk, which advises on the adequacy of the Trust’s controls and risk management. The Trust Board committees have at least three trustees in their membership, and the trustees are in the majority for voting purposes.

The Trust Board approves the appointment of Governors, these are the Local Governing Committee (LGC) members. The Articles do not require trustee membership of the LGCs, and, by the separation in the governance tiers, the Trust demonstrates transparent decision making and prevents bias and conflicts emerging, thus strengthening the governance checks and balances within the Trust.

### 4.3 Committees and individuals

#### 4.3.1 Admissions Committee

The Admissions Committee comprises the CEO / designate and a Governor from each academy. A Governor is Chair.

#### 4.3.2 Finance, Risk and Audit Committee (FRAC)

The Trust Board delegates financial scrutiny and oversight to FRAC, which supports the Trust Board in maintaining the Trust as a going concern. The committee provides advice to the Trust Board on the risk register, oversees and approves the Trust's programme of internal scrutiny, and oversees external audit.

#### 4.3.3 Education, Performance and Standards Committee (EPSC)

EPSC reports to the Trust Board at a strategic level on education, performance and standards.

#### 4.3.4 People and Wellbeing Committee (PWC)

The PWC reports to the Trust Board and ensures the Trust is compliant in all aspects relating to HR, including related policies and procedures. The PWC makes recommendations to the Trust Board on Trustee and Governor recruitment, proposes committee membership, monitors the Trustee and Governor Induction and Training Framework, and receives progress updates on recommended actions from external reviews of governance.

#### 4.3.5 Local Governing Committee (LGC)

The Trust Board constitutes LGCs to provide links to parents and carers and the community, as well as for providing additional scrutiny of how the Trust is managing its academies.

The LGCs constitute formal complaints panels, review pupil exclusions and deal with disciplinary matters.

The LGCs are:

- A valued point of consultation and representation in the development of Trust policies.
- The recipients of detailed information about how their academies are being managed.
- Tasked with scrutinising management information thus providing assurance to the Trust Board that the academy is:
  - operating within the ethos and values of the Trust and creating a positive climate for all stakeholders;
  - working within agreed policies;
  - meeting the agreed targets;
  - engaging with stakeholders;
  - acting as an ambassador for the Trust.

#### 4.3.6 Trust Interim Board (TIB)

The Trust Board may stand down an LGC and appoint a TIB in one or more of the following circumstances:

- In response to the outcome of an annual review of governance.
- In response to the outcome of an Ofsted inspection where there is a rating decline or an academy moves into a category of serious weakness or requiring improvement.
- In response to a serious weakness or decline in governance identified by the Trust Board.
- A sudden or unexpected dip in the academy's mid-term performance.
- Any identified safeguarding concern within the academy.

The main function of the TIB is to act as an interim board to ensure rapid and sustained school improvement in the short term. Following this, the TIB will transition to an LGC when the school has been identified by the Trust Board to be in a position of stabilise or repair.

#### 4.3.7 Chief Executive Officer (CEO)

The CEO is responsible for the leadership and management of the central executive team and the academy Heads, and reports to the Trust Board and its committees.

The day to day management of the Trust's academies is delegated to the Heads, and they are line managed according to the Trust's appraisal policy.

The CEO is the Accounting Officer, and has a personal responsibility to Parliament for regularity, propriety and value for money, and for assuring the Trust Board on compliance with the funding agreement and the Academy Trust Handbook.

#### 4.3.8 Heads

The Heads manage the academies day to day. They share information with the LGCs and TIBs about how the academies operate to enable monitoring and scrutiny of key policies and improvement plans.

#### 4.3.9 Chairs' Forum

The Chairs' Forum is an informal meeting for support, guidance and information for LGC and TIB Chairs and Vice Chairs.

The terms of reference for the committees supplement the Scheme of Delegation.
