

Local Advisory Board Terms of Reference

1. Purpose

- 1.1 As a charity and company limited by guarantee, the Trust is governed by a Board of Trustees who have overall responsibility and ultimate decision-making authority for all the work of the Trust, including the establishing and running of the academies maintained by the Trust.
- 1.2 In order to support the effective operation of the Trust and the academies, the Trust Board has established a number of committees to which it has delegated certain powers and functions.
- 1.3 The Board has established two different types of committee:
 - Main Board committees which are established to deal with Trust-wide matters such as the Education, Performance and Standards Committee (EPSC), and the Finance, Risk and Audit Committee (FRAC); and

The Trust Board has resolved to establish LABs for its academies each as a separate committee of the Trust Board. A LAB may act in respect of two or more academies, if requested by the Trust Board.
