16 – 19 Tuition Fund Statement

The 16 to 19 tuition fund is a £96 million one-off fund for the 2020 to 2021 academic year only. It is ring fenced funding for schools, colleges and all other 16 to 19 providers to support small group tuition for 16 to 19 students in English, Mathematics and other courses where learning has been disrupted. For example, vocational courses where assessments have been deferred because of lockdown.

The tuition fund is provided by the Department for Education as a direct contribution to address the impact of 'the disruption to learning' caused by the COVID-19 pandemic.

The funding must be used to support TPAT Sixth Form students that did not achieve a Grade 4 or higher in either English or Mathematics. This additional funding made available to TPAT Sixth Form to support these students for the academic year 2020-21 is £2,344.

Disadvantaged students and those with specific SEND will be prioritised in the allocation of the additional small group tuition, in line with the published DfE guidance.

The funding will be invested in the following areas:
