

LYDIARD PARK ACADEMY

19th September 2017

Dear Parent,

Yr 11 Key to Success Evening Wednesday 11th October 5.00 pm – 6.00 pm

I am writing to inform you about a forthcoming evening which will provide you with a range of important information regarding the GCSE courses your child is studying. Year 11 can be an extremely stressful, challenging and exciting period in a young person's life and therefore we aim to offer as much support and guidance as possible. Parents play a vital role in helping their children to fulfil their full potential; and so it is essential that you are fully informed about how to support your child in making the most of their time in Year 11.

Each pupil will be given a folder of information regarding the exam boards, important dates and relevant revision websites for the subjects they are studying. Following this there will be a number of short presentations about the importance of Year 11, revision techniques and other general information that will be of use to you in supporting your child. We are also fortunate that the National Citizen Service will be attending the evening to give you information about the organisation and will be available to answer any questions you or your child may have.

In previous years parents and pupils have found this evening to be extremely valuable and we have received some excellent feedback. I would highly recommend that you come along with your child.

If you have any questions regarding the Yr11 Key to Success Evening, please do not hesitate to contact me at the school.

Yours faithfully,

Mrs G Davies
Assistant Principal
