

LYDIARD PARK ACADEMY

February 2018

Dear Parent,

Re: Non-Uniform Reward Day on Thursday 8th February

I have the pleasure of informing you that your child has been rewarded for their hard work this term with a non-uniform day on Thursday 8th February.

Lydiard Park Academy, hold a non-uniform day at the end of each term for the House which won the most points during the term. The competition takes into account all the reward and consequence points students received during the term and combines them with points gained through the various House competitions and participation in activities. When all the points were totalled up this term the winning house was Pascal.

Pascal House received over 4336 points from their classwork and homework this term. They also gained many points through their success in the House competitions, in particular, lunchtime challenges where they often came first.

We hope your child enjoys their reward this Thursday. They will need to keep working hard if they wish to wear non-uniform again at the end of next term!

If you wish to know more about our House System, then please do visit our academy website.

Yours sincerely,

Mr. G Pearson
Principal
