1. Introduction

The Trustees of The Park Academies Trust recognise that a charging and remissions policy is required for each school within the Trust. It has delegated the responsibility for a The Charging and Remissions Policy for Lydiard Park Academy to the Local Advisory Board

2. Policy Statement

The Local Advisory Board recognises that a wide range of activities including; clubs, visits and residential experiences, make a valuable contribution towards the educational and social development of pupils.

The Local Advisory Board wishes to promote and provide such activities and encourage broad participation.

Some activities (or parts of activities) will be charged for whilst other activities or elements of activities will be provided free of charge. In addition, there may be occasions where voluntary contributions are invited.

Section 33 of the Academy Funding Agreement requires the Trustees, through the Local Advisory Board, to set out a Charging and Remissions Policy in line with Sections 449-462 of the Education Act 1996.

The following policy sets out the Lydiard Park Academy policy for charging and remissions, some elements of which are the statutory requirements and others are discretionary but believed by The Local Advisory Board, to be appropriate to the Lydiard Park Academy community.

This policy applies equally to all pupils including sixth form.
