

Dear Student,

Welcome to [Careerpilot](https://www.careerpilot.org.uk)

Careerpilot is a **free careers website** helping young people in the South of England.

The [Careerpilot](https://www.careerpilot.org.uk) website will help you find out about the full range of options available at 14, 16 and 18, including [apprenticeships](#), [College](#), [higher level study](#), etc.

The website also includes information on twenty two [job sectors](#), links to [providers](#) in the South of England and, if you register (which is free, on the home page and takes 1 minute) you can save your choices (of job sectors, providers and qualifications) in **Career Tools**.

You can also save your results from [the Pre 16 Skills Map skills](#) and [HE Skills Map](#) (for post 16 students).

- In 2017-18 over 500,000 young people used the Careerpilot site.
- 97% of users surveyed say the site was useful.

Using the links provided, please register to join www.careerpilot.org.uk but ENSURE you register **using your school E-mail address only.....thanks.**
