

LYDIARD PARK ACADEMY

Dear Parents,

Lydiard Park Academy are committed to the support of pupils by offering guidance on 'future career pathways.'

We recognise parents wish to support their child with decision making, but with the current labour market continually evolving this can be a real challenge.

In order to help parents gain a greater understanding of careers and the current labour market we would like to introduce you to a very useful resource known as www.careerpilot.org.uk. As a school we have found this website to be an incredibly informative and useful tool for our pupils.

Careerpilot is not just aimed at pupils but also supports the parents and carers of our pupils. It seeks to offer relevant and up to date Careers, Apprenticeship and University information, thereby enabling you to help your child make informed decisions relating to their future pathways.

[Careerpilot](http://www.careerpilot.org.uk) includes the following: -

- Free to register and use (ensure you son / daughter use their school E-mail address when registering)
- Significant information regarding job sectors
- Save all relevant information by using the 'Career tools' section
- CV support
- Interview information
- Choices at 14, 16 and 18;
- Further Education College
- Apprenticeships and Traineeships
- Higher Education (including HE provided at local colleges)
- Job sectors and growth
- Funding and support

It really is a 'one stop shop' to help offer advice and support to parents.

Should this be of interest to you, or you're just curious, then please access [Careerpilot](http://www.careerpilot.org.uk) and browse the various information on offer.

Yours faithfully,

Mr M. Godley | Careers Lead, Business and Economics
