

LYDIARD PARK ACADEMY

May 2019

Dear Parent/Guardian

NCFE Interactive Media (IT) 15 Hour Exam

I am writing to inform you that your child's IT exam will take place from **Monday 17th June until Wednesday 19th June**. Regrettably, this was not included in your child's exam and booster list, which they received recently. However, your child should be fully aware of these dates, which have been communicated to them via their IT teachers in lessons.

The computer based exam is 15 hours long and students will be based in their IT class computer rooms for 5 hours a day over 3 days, during the normal 5 hours of lesson time. They will therefore get their usual breaks and lunchtimes during these days. If your child is entitled to additional exam time, then this will take place on Thursday 20th June.

There will be a compulsory 2 hour revision block for this exam during **sessions 3 and 4 on Friday 14th June**. Students will be able to go home at 2:00pm once this has finished.

Finally, all students must register in the IT block at 8:40am each morning so the exam can commence at the start of session 1 each day.

Yours faithfully

Miss H Plumb

Co-Head of Computing, IT, Business and Economics
