GCSE Revision and Exam Timetable 2019

Pupils must attend normal timetabled lessons if there is no revision block/booster or exam on for them. Please ensure that you have all necessary revision resources with you if you have no further exams in that timetabled subject to allow for productive supervised study

Morning boosters start at 8.50am – **you must attend morning registration first**

Morning exams begin at 9.30am – you will be taken to the exam hall by your teacher directly from the booster

Majority of afternoon exams have a booster starting at 12.55pm

Majority of afternoon exams begin at 1.30pm – you will be taken to the exam hall by your teacher directly from the booster

Please note that some exams do not have a booster (highlighted in table above) and/or have an earlier start time of 9.00am or 1.00pm. You MUST be at the exam hall 10 minutes prior to the exam start time

Please check all of the dates and times extremely carefully and transfer the information onto a calendar so that you know exactly when you have revision blocks/boosters and exams.
